

GERSTEIN CRISIS CENTRE

FINANCIAL STATEMENT

MARCH 31, 2015

INDEPENDENT AUDITOR'S REPORT

To the Members of
Gerstein Crisis Centre

I have audited the accompanying financial statements of Gerstein Crisis Centre, which comprise the statement of financial position as at March 31, 2015 and the statements of operations and surplus and cash flows for the year ended March 31, 2015 and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Canadian accounting standards for not-for-profit organizations as modified by the Ministry of Health and Long-Term Care of the Province of Ontario's requirements as stated in Note 2, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the company derives revenue from fundraising events and donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, my verification of these revenues was limited to the amounts recorded in the records of the company and I was not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditures, assets and organization surplus.

Qualified Opinion

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Gerstein Crisis Centre as at March 31, 2015 and the results of its operations and its cash flows for the year ended March 31, 2015 in accordance with the Canadian accounting standards for not-for-profit organizations as modified by the Ministry of Health and Long-Term Care of the Province of Ontario's requirements as stated in Note 2.

Basis of Accounting

Without modifying my opinion, I draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist Gerstein Crisis Centre to comply with the financial reporting requirements of the Ministry of Health and Long-Term Care. As a result, the financial statements may not be suitable for another purpose.

1. NATURE OF ORGANIZATION

The Gerstein Crisis Centre ("Gerstein Centre") is a non-profit registered charitable corporation established in 1989 to provide a 24-hour, seven day a week crisis intervention service to individuals who are, or have been, involved in the mental health system, and who are experiencing a mental health crisis.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

These financial statements have been prepared in accordance with the basis of accounting prescribed by the Ministry of Health and Long-Term Care. The Ministry's requirements are in accordance with Canadian accounting standards for not-for-profit organizations except for the calculation of amortization on land and buildings.

The Ministry of Health and Long-Term Care requires that the annual amortization of land and buildings be equal to the annual amortization of the capital grant provided for the acquisition of the property. Canadian accounting standards for not-for-profit organizations requires that buildings, furniture and equipment be amortized over their estimated useful lives and that land should not be amortized.

(b) Cash and Cash Equivalents

Reva Gerstein Legacy Fund

The financial commitment is \$100,000 over 10 years, of which \$70,000 has been received to date. The Fund is used to help projects that are run by and for Psychiatric Survivors, reflecting Dr. Gerstein's interest in education, research and other projects that support the independent spirit of the survivor community.

Actual results could differ from those estimates.
